

A SMARTER WAY TO MANAGE SKILLS DEVELOPMENT

SkillDev brings together learning, vendor management and compliance into one intelligent platform – giving HR and L&D teams complete control, visibility and measurable impact.

Skills development shouldn't be this complex...

- ✗ Multiple training providers and invoices
- ✗ Manual approvals and spreadsheets
- ✗ Complex B-BBEE and compliance requirements
- ✗ Limited visibility into budgets and outcomes
- ✗ Disconnected employee learning experience

The result:

Increased administration, rising costs and reduced business impact
